

Sources, Composition, and Health Effects of Coarse Particulate Matter Grants Kick-Off Meeting

May 8, 2008

U.S. Environmental Protection Agency
Main Campus, Building C, Auditorium
109 TW Alexander Drive
Research Triangle Park, NC

Draft Agenda

(As of April 4, 2008)

8:45 a.m.	Welcome and Introduction <i>Dan Costa, National Program Director for Air, Office of Research and Development</i>
9:00 a.m.	Comparative Toxicity of Coarse Particles <i>Terry Gordon, New York University School of Medicine</i>
9:30 a.m.	Cardiovascular Effects of Urban and Rural Coarse Particulate Matter in African American and White Adults <i>Robert Brook, University of Michigan Health System</i>
10:00 a.m.	BREAK
10:30 a.m.	<i>Robert Devlin, National Health Effects and Exposure Research Laboratory, Office of Research and Development</i>
11:15 a.m.	Health Effects and Characterization of Urban and Rural Coarse Particulate Matter in Northeastern Colorado <i>Michael Hannigan, University of Colorado at Boulder</i>
11:45 p.m.	LUNCH
1:00 p.m.	Sources, Composition, Variability, and Toxicological Characteristics of Coarse Particles in Southern California <i>Constantinos Sioutas, University of Southern California</i>
1:30 p.m.	Spatial Investigation of Sources, Composition, and Long-Term Health Effects of Coarse Particulate Matter in the Multi-Ethnic Study of Atherosclerosis (MESA) Cohort <i>Timothy Larson, University of Washington</i>
2:00 p.m.	Status of Coarse PM: Regulatory and Monitoring Update <i>Rosalina Rodriguez, Health and Environmental Impacts Division, Office of Air Quality Planning and Standards</i>
2:30 p.m.	Adjourn
